PRITI GUPTA

CAREER OBJECTIVE

To utilize the given opportunities effectively and use my core technical competency and skills to act as a solution finder for individual and organisational growth

PROJECTS

Sportify Landing Page
A basic website similar to sportify, a popular music streaming platform. It is a mobile -first webpage created using HTMLand CSS. I prioritized creating a mobile-first design that would adapt to different screen sizes using media queries.

Shopping Cart
Created a functional and user-friendly e-commerce websites using HTML CSS and JavaScript that allows users to add items to their cart. The use of local storage ensures that the cart contents are saved even if the user leaves the page or closes the browser. The webpage is designed to be responsive, providing an optimal viewing experience on different devices.
